Team Meal Guidelines

Guidelines for team meals:

- Each student on the team must provide one complete meal for the team.
- You provide the entire meal yourself on one day **OR**
    - Working with another family, you provide half the meal on two different days (you would provide the main course for one meal; then the side(s), dessert, and beverages for another).
- Meals must include the main course, sides, dessert and beverages.
- Meals containing meat should also offer a vegetarian option. There are a couple vegetarians on the team, but they will eat dairy and cheese.
- All serving dishes that should be returned MUST be labeled and picked up that night by the end of that meeting.
- The family providing the meal is responsible for setting it up on the specified date and time.
- Meals prepared should feed 45 people unless otherwise told.
- There are no known food allergies and a couple vegetarians,

The team will provide:

- Plates
- Bowls
- Napkins
- Silverware
- Cups

The team will NOT provide:

- Ice
- A way to keep food hot
- A way to keep food cold
- Condiments or Dressings
- Serving Utensils

Meal Schedule:

- Each student will be assigned a specific day and time to provide their meal based on a first-come, first-serve sign-up basis.
- Check the team calendar to ensure your meal is delivered on the correct date and time.
- If a meal day or time needs to be switched, please inform Mr. Spiece as soon as possible.
- If you are not able to provide a meal on the day you signed up, YOU are responsible for trading days with another family. In the event of an emergency, alternate plans can be made.
- Meals should be set up and ready to serve by the following times:
    - Saturday Lunches: 12:00 p.m.
    - Weekday Dinners: 5:00 p.m.
- Parents are not responsible for cleaning after meals; it will be done by the team.
- The family providing the meal is encouraged to join the team for the meal. This is a good chance to sit in on part of a meeting and get to know the students and advisors.
