Come join the Truck Town Thunder Robotics team for an innovative day camp for kids 8 to 14 years old or entering 3rd-8th Grade. Teachers, Engineers, and students from Truck Town Thunder Robotics, FIRST Team 68, will mentor campers through learning about robotics and engineering. Students will learn about engineering design and programming robots. Participants in the FIRST Lego League will get an introduction to the upcoming season. Students will learn about teamwork while working together to compete in a challenging design challenge. Students will operate the Truck Town Thunder Robot and learn the ideals of FIRST. Participants will have the opportunity to join in a swimming session at Brandon Aquatics Center.

Registration Information: Get your registration in right away. The camp has a limited capacity.
