Truck Town Thunder 68

1025 S. Ortonville Rd.♦ Ortonville, MI 48462 ♦ 248-627-1820

Dear Potential Partner;

We would like to introduce the District, State and National award winning robotics team, **T**ruck **T**own **T**hunder Robotics, FIRST Team #68. T3 is located at Brandon High School and includes students from Holly and Brandon High Schools. The team competes in the FIRST (**F**or **I**nspiration and **R**ecognition of **S**cience and **T**echnology) Robotics Competition. Each year we are given a challenge that the robot must perform to win competitions. The team is given *six* weeks to design, build and test a robot. The team is lead by advisors and mentors from industry that help the students through the process of designing, fabricating and assembling a robot to best compete in the year's challenge.

Truck **T**own **T**hunder is committed to all team sponsors for one year. During the fall season, T3 supports Jr.FLL, FLL, and FTC for elementary and middle school students. The high school students are involved in FRC with a build season beginning in January followed by competitions in March and April. In the off season, team members receive training in safety, equipment usage, programming, electrical, and many other areas. Also, during the off season we do demonstrations for organizations, local events, schools, and partners.

Investing in T3 is more than a sponsorship, we want to you be a partner with the team. The team is continually looking for partners not only to help financially, but for individuals with management, engineering, technology, and mechanical background to share their talents. Truck Town Thunder also welcomes any partners interested in volunteering their time to join the advisory and mentor team. T3 is confident that with financial support from dedicated partners the team will be able to fulfill the required registration, material, equipment, and travel costs. For more information about the team, we strongly encourage visiting the team website http://www.trucktownthunder.com/

The team has five levels of Partnership:

- **Friends of Truck Town up to $100**
- **Silver – $100 to $499 -**Partners will have their logo on the team website.
- **Gold – $500 to $999 -** Partners will have their logo on the team uniforms and team website.
- **Platinum– $1,000 to $4999 -** Partners will have their logo on the robot, team uniforms, team website, and receive a receipt for their 501c3 tax deduction.
- **Diamond—$5,000 and up**—Partners will have their logo on the team trailer, robot, team uniforms, team website, and receive a receipt for their 501c3 tax deduction.

For specific Logos to be placed on the team website, feel free to email the logo to info@trucktownthunder.com.

For more information, please contact Team Leader, Andrew Spiece @ 810-545-7315. Make checks payable to *Brandon School District*. Please visit team website: http://www.trucktownthunder..com/.

Partnership with Truck Town Thunder is an investment is the future of students from first grade through twelfth grade, and we truly appreciate it.

Sincerely,

Andrew Spiece
